

# Fairview Elementary School

## A Note from Mrs. Hess

This month's habit which is **Habit Number 6 is Synergize.** Have you heard that word used before? Maybe you aren't familiar with this term but I bet you know about teamwork. The letters in the word team can stand for Together Everyone Achieves More. That is the idea behind synergy. Getting along

well with others, even people who are different from you. Working well in groups is an important part of synergy and working well as a member of a team to help solve a problem is what synergy is all about. We want our students to synergize daily and apply this very important skill in all aspects of

their lives. Knowing how to work as a team allows students to hear a variety of ideas, bounce their own ideas off of others to get feedback, and to learn to depend on others to get the job done right. What a great Habit....Synergize!!!

Get FREE Math and Science Homework Help! **YOUR BRAIN WILL THANK YOU!**  
 Chat or email with a tutor at AskRose.org  
 or  
 call a tutor at 877-Ask-Rose

It's free!  
 Tutors are Rose-Hulman college students who are trained to help with math and science homework.

### Save the Date

Fairview PTG is sponsoring an Artome Art Show on Friday, April 6, 2018 in the school gymnasium. Please join us for an evening of art appreciation. Every student will have their own masterpiece framed and on display to the public. Families and visitors can also purchase these original art works to proudly display in your home or office. Color reproductions can also be ordered at the event to gift friends, grandparents or other family members. Stay tuned for more information!

## State Testing

Second Semester is a VERY important time of year, especially for our students in grades 3, 4, and 5. State testing will be coming up and it is CRITICAL that students are at school every day! Please make getting to school on time and every day a priority.

## Nurse Notes

Please let us know if your child is positively diagnosed with influenza. If positively diagnosed, follow up with your healthcare provider to see when it's okay to return to school, (LCSC's policy is that the child is fever free for 24 hours WITHOUT fever reducing medications like Tylenol or ibuprofen).

Please call the Fairview school nurse with any questions or concerns!

## Pennies for Patients

Spare change goes a long way! Through "Pennies for Patients", Fairview students can have the satisfaction of knowing their spare change

made a difference in the lives of people in our community. During the month of February, Fairview students will have the opportunity to collect change and help save lives by participating in the Leu-

**someday  
is today**

ing pennies for one week, we can help the honored patient and fight the number one disease killer of children under age

kemia & Lymphoma Society's Pennies for Patients campaign. Fairview will participate and raise funds in honor of a patient who battles leukemia, lymphoma or myeloma every day. By pool-

20. Children helping children is what makes Pennies for Patients so unique. Start saving your pennies. More info will be sent home this month!

## Student Drop Off and Pick Up Reminders

When dropping off students in the morning, please refrain from parking on the inside of the circle drive. Please drop students off on the side of the drive closest to the building. This is for your child's safety with the mov-

ing traffic. Also, please do not drop your child off PRIOR to 7:30 a.m. Teachers are NOT on duty until 7:30, so that is when doors open. **Thank you for your cooperation!** Also, on days when we have a two hour delay, breakfast will NOT be

**served for the students. Please plan accordingly.**

excite, and educate.***

## Ms. Baer's Book Broadcast

---

I am so proud of the students at Fairview for meeting their AR goals! I would like to congratulate Mrs. McGuire's class for earning first place with 581 points and 90% accuracy, Mrs. Roth's class with a close second place with 579 points and 88% accuracy, and Mrs. Scott's class was third with 548 points and 82% accuracy. First nine weeks we had 42 kids who met their AR goals with 85% or higher accuracy. Second nine weeks we had 120 kids do the same. I cannot wait to see how many kids I have celebrating in the third nine weeks. Each nine weeks stu-

dents who meet their goals with 85% accuracy get to enjoy a tasty treat and have some extra recess. The first nine weeks we enjoyed chocolate milk. The second nine weeks we sipped on hot cocoa. For the upcoming third nine weeks party, students will be able to enjoy popsicles. Get reading and get ready to celebrate with me in March.

Our 4<sup>th</sup> and 5<sup>th</sup> grade students involved in Battle of the Books are busy reading their six required books. Most students have finished half of the books already. They are getting ready

to "battle" other local schools in April. This competition takes place at the public library and we are looking forward to bringing home a win for Fairview this year.

In this cold Indiana winter weather, remember to curl up with a book and read, read, read!

You know you've read a good book when you turn the last page and feel a little as if you have lost a friend. ~Paul Sweeney

## **School delays/cancellation notices!**

Please do NOT rely on *Blackboard Connect* when a school delay or cancellation occurs. Unfortunately, advanced technology does not always work. Please use alternate sources when checking on a school weather related change: refer to local cable or radio stations. You can also text *CASSINFO LOGAN* to 46786 for closings/delays/additional Cass County information (*standard message and data rates may apply*).
